

Long Term Conditions Nurse

Part time (Min. 16hours per week)

Salary: dependent on experience and qualifications £40k – £50k WTE pro rata

Join our warm and patient-centred practice in the heart of our semi-rural community. Enjoy a fulfilling part time role, where you'll be welcomed by a friendly team dedicated to providing exceptional care. Enjoy the South Lakes area, while making a meaningful impact on the health and well-being of our community. Competitive salary and supportive work environment await you.

We are 2 site, dispensing practice in Kendal with around 17,500 patients keen to attract caring, motivated, and passionate colleagues. We offer a good range of enhanced services including minor surgery, coil/implant fitting, plus Dermatology and ENT clinics. We are proactive in women's health, a GP registrar and medical student training practice and have an active frailty and care home support team. We are part of an excellent Primary Care Network and supported with clinical services from a wide range of disciplines.

As part of our Long Terms Conditions team, including three LTC specialist nurses you will be responsible for areas such as health promotion, chronic disease management and health prevention.

You will ideally be a nurse prescriber with experience within a primary care setting, have excellent clinical skills and be competent in pro-active management of patients with chronic diseases including Diabetes, Asthma, COPD, Hypertension and Cardiovascular disease.

We can offer you an invigorating and supportive working environment with excellent opportunities for career development. You will be working alongside compassionate colleagues, who strive for a good work / life balance while achieving high-quality patient care. We offer weekly clinical MDT meetings and scheduled clinician coffee time mid-morning each day, and Kendal is a great place to live and work.
