

The James Cochrane Practice – Out of area registration

PATIENT INFORMATION & DECLARATION FORM

IMPORTANT INFORMATION FOR PATIENTS REGISTERED UNDER THE TERMS OF 'OUT OF AREA' ARRANGEMENTS

We have recently registered you at the practice as an 'out of area' registered patient. We are aware that you live outside the practice area (catchment area) and when we registered you we explained that we are not required to provide you with a home visit.

If you have repeat prescriptions from us, please speak to our dispensary team for clarification on this.

You may on occasion, develop an urgent illness or injury at home which means attending the GP surgery as normal would not be appropriate. If you require urgent medical services whilst you are at home please contact the practice in the first instance. If we determine you need access to services local to where you live we may ask you to call **NHS 111**.

If urgent care services are required, **NHS 111** will direct you to a service that has been established by NHS England for patients such as you. This local service could be a GP practice near to where you live, the local walk-in or urgent care centre.

Registration Declaration

You are accepted on to our list under this arrangement because it was agreed it was clinically appropriate and practical to register you in this way today.

In the event that your health requirements change and it is that our professional opinion would be that it would be more clinically appropriate and practical for you to register with a GP practice nearer to your home to provide home visits or urgent appointments more conveniently, then the terms of this registration will change and you will be advised to register with a GP practice closer to home.
