

Need a Blood Test after your Hospital Attendance?

Your GP Practice is working in partnership with the Hospital to make getting a follow up blood test easy for you

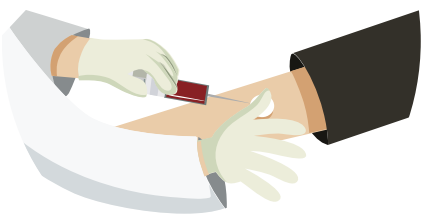

At the Hospital

After your appointment, the hospital team will offer you a timed slot at a local venue to have your follow up blood test.

You will receive a letter in the post with the details of your appointment.
If labels are sent, please bring these with you

At your Blood Test

Arrive at the local venue at the time of your appointment and your blood test will be completed

Remember to wear a face covering

After your Test

The results of your blood test will be sent to your hospital consultant and they will contact you if required or you can contact them. Please do not ring your GP practice for your results as they will not have this information.
